

★ CAMP ★ SPA 23

Drop Off/Pick up Procedures

Before Care (7am-9am):

Drop off at Spa 23 Fitness and Lifestyle begins at 7:00am. Bring campers into the Kidz Care and check them in with the counselor on duty. By 8:25 campers and counselors will leave Spa 23 to walk to PV Park. If you are running late you can have your camper join the group walking over, which will also constitute before care.

Day Camp (9am-4pm):

Drop off at PV Park between 8:55am-9:15am. Pull into the front circle area and stop at the front entrance. A counselor will meet you at your car and unload your camper(s). No need to stop and get out. Please stay in line and wait for a counselor to unload your child(ren). For your safety, please do not park and walk children across the parking lot. If you want to talk to the CAMP Director, please drop your campers off first, then park and walk over.

After Care: (4pm-6pm):

Our after care campers remain at PV Park. Please pick up your camper by 6:00pm. In the event you are running late, please let us know what time you will be arriving by calling Member Services at 973-839-8823. *

Pick up:

Pick up between 3:45 and 4:00pm at PV PARK. We will have your campers at the side gate entrance. Please sign out your campers when you pick them up. You may remain in your vehicle and we'll bring your campers out to you, or park and pick up at the gate.

***Your camper will be walked back to Spa 23 and brought to the Kidz Care. Please sign out your camper from the Kidz Care upon arrival.**

Your account will be charged \$15/per camper for every 30 minutes past 6pm.
