## Inclement Weather Procedures

### **In case of morning inclement weather**

Drop off will be at Spa 23's side door between 8:55am-9:15am. Follow drop off signs.

A counselor will meet you at your car and unload your camper(s). Do NOT park. Please stay in line and wait for a counselor to unload your child(ren).

DO NOT drop off at the front door entrance. We always use the side entrance for CAMP.

### **In case of afternoon inclement weather**

Pick up at Spa 23.

Please park at Spa 23 and come inside to the front desk. Your child's location may change daily, please ask the front desk where his/her group is so you can find them easily.

We will notify all parents ONLY via E-MAIL of inclement weather days. PLEASE make sure we have all of the e-mail addresses you would like us to use for inclement weather notification.
