Small Group Swimming

Customized *Small Group Swimming* sessions are conducted by our Tier 1, 2 and 3 swim instructors. These instructors have a variety of backgrounds, all revolving around different aspects of swimming. The focus can be on special needs, competitive swimmers of all levels, adults of all levels, and having a great time learning! These specialized six class sessions can provide your swim group with focus on specific goal achievement, comradery, and a little competition. Sessions can be geared towards neighborhood playmates learning the basics of swimming, competitive swimmers aiming for a big meet, students training for a lifeguard certification, or even adults learning to swim and improving upon what they already know. These sessions are completely flexible in the goals your group wishes to achieve. The sessions are arranged in six classes, hour or half hour time frames, and on your schedule based on pool and instructor availability. Scheduling is set by you and your instructor.

If you are interested in setting up your own group for Small Group Swimming, speak with the instructor who best suits your needs, or contact our Aquatics Director Rachel Bohmann to aid you in setting up your personalized group sessions by email at aquaticsdirector@spa23.com.

SMALL GROUP SWIMMING RATES (per session)

Length of Each Class	Member Rate Per Class	Guest Rate Per Class
30 minutes	\$180	\$210
60 minutes	\$300	\$360

As these sessions are customized to your group, you will work closely with your instructor on scheduling. Minimum of 4 swimmers to a maximum of 8 to run a session.
