

## Photo Permission for Social Media

Dear Parents and Guardians,

We hope you and your family are as excited as we are for the upcoming camp season! As we prepare for a summer full of fun, learning, and adventure, we want to keep our camp community updated and engaged by sharing some of the memorable moments that happen here each day.

From time to time, we like to post photos and videos of camp activities on our official camp social media channels to highlight the amazing experiences our campers are having. These posts may include images of your child participating in group events, enjoying outdoor activities, or having fun with friends.

Before doing so, we want to ensure we have your permission. Please indicate your preference by checking one of the options below:

☐ Yes, I give permission for my child's photo to be used on the camp's social media platforms.

☐ No, I do not give permission for my child's photo to appear on the camp's social media platforms.

We will always use photos responsibly, and no identifying information (such as names or ages) will be shared without explicit permission.

If you have any questions or concerns, please feel free to reach out to us. We greatly appreciate your support and look forward to an unforgettable summer!

In good health,

**Joanna Hofbauer**
